PRAGYA BISHERWAL

On a daily basis, I am capable of handling many responsibilities. To tackle problems, I take a creative approach. I am a gifted, ambitious, and industrious individual with extensive programming, web development, social media marketing, and content writing talents with a genuine interest. In addition, I am capable of managing and performing well under pressure. Communication is a critical strength, as is creating great relationships with others in order to get the best results.
